Please be advised that this schedule is subject to change based upon the schedule of the Main Stage. Every effort will be made to allow every Jazz Camp student an opportunity to play, but the Main Stage must take priority.

All students should be at the Gazebo Stage ready to play at least 15 minutes before their combo's performance time.

The "Jam Session" is open to Litchfield Jazz Camp Attendees. Priority will be given to students who couldn't play with their combo at its scheduled time, or who's combo from weeks 1, 2 or 3 wasn't assigned a slot for scheduling or space reasons. Combo books will be provided. If you would like to play, be at the Gazebo Stage at least 10 minutes before the Jam Session starts, and talk to Louise Baranger or the JF Member in charge of that particular session. Vocalists, please bring charts or be prepared to sing a standard in the original key or a Blues.

ENJOY THE FESTIVAL!!
